Bill/Bart.

I have ascertained what my new phone number will be, but at this point I do not know when I will move to the new office. Just in case, we might want to give my numbers as:

“Keith Horn  
Louisiana Department of Environmental Quality  
225.219.3687 or 225.219.3793 or 866.896.5337 (toll-free)”

Sorry for the confusion, I didn't ask to be moved to another floor  
. . .

***Staff Environmental Scientist***  
***LDEQ UST and Remediation Division***  
***(225) 219-3687 (desk)***  
***(225) 219-3398 (fax)***

Keith & Bart,  
I have fixed Keith's address. Are we ready to go with this?  
Thanks,  
Bill

Bill:

My contact information is given as:

“Keith Horn  
Louisiana Department of Environmental Quality directed to the  
Region 6 Press Office at  
225.219.3687”

Which seems a bit messed up. How about:

“Keith Horn  
Louisiana Department of Environmental Quality  
225.219.3687 or (866) 896-5337 (toll-free)”

I know my desk number will be likely to change before July 1<sup>st</sup> as my Division is being consolidated on another floor. However, at this time I do not know what this new number will be. I'll be sure to send that to you as soon as I obtain it, but that may be after this fact sheet is released.

Bart and Keith, I eliminated the duplicate sentence and hopefully further explained the UAO.  
Thanks,  
Bill

Keith

Here is a draft of a fact sheet EPA is planning. Needs more polishing, specially the first paragraph in the Superfund Process needs to be taken out, is a repeat. The AOC paragraph needs more polish.

Is a draft of what's in the plan. Keith, do you have any comments, ideas, suggestions? Please let us know.

Bart,  
It's Devils Swamp. I'll review it today. You mention a Map and refer to figure 1.1. Can you please send me a copy of the map it isn't attached to the fact sheet.  
Thanks,  
Bill
